3 DEPTS. FIGHT FIRE IN NEW LEN. ROOFING PLANT

A one-story frame building which had been used for the storage of containers for liquid roofing materials was leveled by fire at the Dad and Lad Roofing Co.'s plant in New Lenox last Friday. Wilbur Dyer, plant owner, of Joliet, said that thousands of cans of drums and pails were ruined in the blaze, estimating the loss for contents at about \$3,000, and the building loss roughly at \$2,000. The building was 30x40 feet, and stored some 5,000 quart cans, 4,000 gallon containers and 500 gallon containers.

Other plant buildings were saved from the flames by the action of three fire departments who brought the blaze under control, the New Lenox, Mokena and Frankfort fire departments.

This is the second fire that has ravaged the plant in recent months. The last fire occurred March 20 resulting from an explosion, as Earl Ullrich, plant foreman, was working over a large tank preparing material to be processed. Damage in the previous fire amounted to about \$10,000. At that time one of the workmen narrowly escaped death and a New Lenox fireman was injured.

In this latest fire, employees at the plant discovered the blaze in the warehouse about 11:15 a. m. and sounded the alarm. For almost two hours they fought the blaze, confining their efforts principally to wetting down the six surrounding plant buildings to prevent the spread of the fire to them.

The company, which manufactures roofing cement and roof coating, was established by C. R. Miller in Chicago in 1922 and moved to New Lenox in 1925. Last January Mr. Miller sold it to Wilbur Dyer of Joliet. Mr. Dyer was unable to give the origin of the blaze, but said the loss is covered by insurance.

A larger and more fireproof building was planned immediately after the last fire, but this is not yet quite ready for occupancy. However, because of the emergency, the building will be put into service at once.

MOKENA VOTES ON IMPORTANT ISSUES NOV. 15

All thoughts for the past several weeks have been centered on the national election this week, but Mokena people have another election coming up that is important to them. This election will be held Saturday, November 15, when citizens will vote on two issues, one for a \$60,000 water revenue bond which will run over a period of 30 years, at a rate of 4 1/4 per cent per year, the other on a \$65,000 bond issue for the purpose of paying the cost of improvements and extensions to the existing water works system in Mokena, with interest at the rate of 3 1/2 per cent, and running for 20 years. The total amount of the two bond issues is \$125,000.

The plans presented by the village board consider extending the water mains north on Wolf road to Revere street, east on Revere street to Midland avenue, south on Midland avenue to Third street, east on Third street to Tinley Park road, and south on Tinley Park road to First street. Much of the land in this area around Revere and Midland avenue is vacant lots and lies in the McIntosh subdivision, which has been used for farming purposes. For many years, Lester Schiek has rented this property and planted corn and other farm crops on it.

There seems to be a difference of opinion, and a question has arisen as to why the village board wants to extend the water mains in this area.

For quite a long time W. A. Muehler has been appearing before the village board to request them to extend water mains in a small subdivision in the village which he would like to promote. Up to this time his request has been refused by the board.

Quite a number of residents are opposed to this project because they have gone to the expense of extending water to their homes already, and some do not think it just and equitable to be taxed—and for thirty years—for this project.

The Mokena Village Players have their play "Mother Is A Freshman" ready for production. They have rehearsed diligently for several weeks and one rehearsal used a wire recorder to check the delivery of their lines.

The play is an amusing comedy with Mary Hart as mother and Marion Owen as professor in the school where Mother enters as a Freshman. The meeting of the two and their growing interest in each other is the theme of the play. The daughter Susan is played by Merlyn Larson, who is also interested in the professor. Ten teen age players add to the gaiety of the play and, of course, it all turns out for the best.

One-half of the proceeds of the plays produced this winter by the Village Players will be given to a Mokena project.

The next play will be given in February. Mrs. Henry Clark with the aid of Marguerite Bass has directed the play and given a great deal of her time to make "Mother Is A Freshman" an interesting evening for every one in Mokena.

The play will be held in the public school Friday and Saturday evening, November 7 and 8, starting at 8:30 p.m. A large attendance is expected both evenings.

NEWCOMERS TO MOKENA HAVE GOLD'N WEDDING

Mr. and Mrs. Adolf Olson, who moved here last week from Brooklyn, N. Y., where they have lived for the past 55 years, celebrated their golden wedding anniversary in the VFW hall in Mokena Sunday afternoon and evening. The affair was arranged by Mrs. Olson's sister, Mrs. Anton Benson. About 100 friends and relatives were present.

A sumptuous anniversary dinner was served at 1:30 by the members of the VFW Auxiliary. The dining table was decorated with yellow mums in gold vases, and the birthday cake with the numeral 50. Nut cups in gold and gold place mats were used.

This was a double celebration for, in addition to the observance (Continued on back page)

Frankfort Busy Building, Remodeling

There is considerable building going on in Frankfort at this time, in the commercial line. On Kansas street, the main street of the village, a one-story brick building is being erected by George Sangmeister for the Sangmeister Electric Sales and Service company. The walls and roof are already completed.

Work was started during the summer on additions to the office and home of Dr. M. J. Buckley, where rooms are being added.

Work also was started this week at the Hedges Clinic. A number of rooms are in process of being added to the west side of the addition which was built about two years ago. The clinic will be completely remodeled with accommodations made for two more physicians and surgeons who will join the clinic later.

Edward Holmes Passes On at 87

Edward Holmes, 87, of Joliet, father of William H. Holmes of Mokena, died Tuesday morning in Silver Cross hospital of an illness of a few weeks.

Mr. Holmes was born in Stouffville-Somerset, England, and came to America when 6 years old. He operated a grocery store in Braceville for a few years and moved to Joliet in 1915 when he operated the Central Market.

Surviving beside his son, who lives on the Francis road, a mile and a half west of Mokena, is a daughter Miss Edna Holmes, Joliet, and several nieces and nephews.

Funeral services will be held this afternoon Nov. 6 at 2 o'clock in the Blood and Grant Funeral home in Joliet, with Rev. Arthur Hoffman officiating. Burial will be in the Braceville-Gardner cemetery.

CANCER CLINIC

There will be a meeting of the Will-Grundy County Cancer Diagnostic clinic Nov. 25 from 10 to 11 a.m. Nov. 11 being a holiday, there will be only one clinic this month.

All patients attending the clinic must have a referral from or be accompanied by their physician or dentist, according to Dr. Paul E. Landmann, director of the clinic.

DONALD GORMAN DIES ON SHIP IN SERVICE

Mr. and Mrs. John Gorman, of 171st street and 104th avenue, in Alpine, were shocked when they received word last Thursday from Commander Dubosie telling of the death of their son, S/A Donald Robert. The telegram stated that a letter would follow explaining the cause of death.

Donald, who was stationed at Norfolk, Va., on the USS Waldron as a torpedo man, had written his folks October 26 saying he was fine except that he was removed to the hospital on the USS Tiger Sierra, suffering with sinus trouble. He said he had lost 10 pounds.

S/A Donald Robert Gorman

ing he was fine except that he was removed to the hospital on the USS Tiger Sierra, suffering with sinus trouble. He said he had lost 10 pounds.

Mr. and Mrs. Walter Olson of Mokena visited their son in the personnel department on the Sierra last week. Their son had told his parents that his former Mokena associate, Donald Gorman, had been entered in the hospital on his boat, but his illness was not considered serious.

Donald was born September 5, 1931, in Chicago, and moved with his parents to Alpine in 1941. He attended Maue grade school from which he was graduated from 8th grade. He was also graduated from the Orland Park high school which he had attended for four years.

On October 30, 1951, he enlisted in the navy, and received his boot training at Great Lakes Naval training station. From there he was sent to Norfolk, Va., where he has been ever since. He died October 30, 1952, exactly one year from the date he entered the service.

Before entering the service, Donald was working as a brick layer's apprentice and seemed to enjoy the work very much.

A week before his last letter he telephoned to his folks, and had a nice talk with his mother.

Surviving Donald, besides his parents, are his brother, John, and a younger brother, Gerald. John received his honorable discharge as a sergeant in August, after having spent 14 months in Korea. Sgt. John Gorman also served four years in the marines. When he returned to this country he was stationed at Quantico, Va., and as Donald was stationed at Norfolk, the two brothers spent several delightful weekends together.

Donald's body is being flown home, but as yet the family has no definite date as to its arrival. When it does arrive it will be taken to the Schmadeke Funeral Home in Orland Park, and services will be held in St. Michael's Catholic church. Burial will be in Holy Sepulchre cemetery, in Worth.

Drum Corps Masked Ball Attracts Many

The Halloween masquerade ball conducted by the Drum and Bugle Corps of William Martin Post 725 in Mokena, last Saturday night, was well attended by a happy crowd, who entered into the spirit of the occasion with zest.

Mrs. Harry Cooper, who was dressed as a hill billy, won a \$5 prize as the most comical single, and Mrs. Ruth Sluiter, of Lincoln Estates, sister of Mrs. Cooper, won the \$5 prize for the best dressed single.

She was attired as a balloon man.

The best dressed couple, in the opinion of the judges, was Mr. and Mrs. Ralph Nieland of Frankfort, who impersonated Martha and George Washington. The most comical couple were adjudged as Jimmie Marti and Andy Zink, who were dressed as two cute little girls in play suits. Each of the winning couples received \$10.

FIRE THREATENS MARLEY SCHOOL SUNDAY MORN.

A fire which evidently originated in a garage adjoining the Marley public school enveloped a coal shed alongside the garage and later spread to the grass which was as dry as tinder, at about one o'clock last Sunday morning. The grassfire soon threatened the frame school building at the west end of Marley, on route 6.

Fortunately, a group of servicemen were driving along Route 6 towards Joliet at that early hour. Observing the fire and noting its threat to the school building the boys got out of their car and got busy. They had several blankets in the car which they soaked at the school pump, then dragged them along the edge of the grassfire, in this way preventing the flames from reaching the school building. Their prompt action no doubt saved the building.

George Yapp, who lives near the Marley school, was coming home from New Lenox when he saw a grass fire. He called the New Lenox fire department who arriving noticed the school fire and directed their attention from the field fire to the school. Francis Nelson, of Marley, put in a call to the Mokena fire department. Both departments were soon on the scene.

The garage and coal shed, which belong to the school, were completely destroyed. However, much of the coal which had been stored in the shed was saved.

The cause of the fire is still undetermined, but it is thought that a large quantity of waste paper which was stored in the garage might have in some way ignited.

Farmer Loses Arm Trying to Dislodge Jammed Corn Picker

As Reed Burch was picking the last load of his 70 acre crop last Thursday afternoon stalks clogged the rollers of his picker, and in attempting to dislodge them, his left hand was caught and drawn in to the machine nearly to the elbow, before he was able to stop the tractor with his free hand. He was alone in the field and estimates that he must have waited three hours, unable to extricate his hand or attract anyone's attention. Just before dark, his brother Robert, looking after his cattle in a nearby field, noticed the standing machine and went to investigate.

He loosened some bolts quickly, freed the injured man and rushed him to Silver Cross hospital where it was found necessary to amputate just below the elbow. The patient is doing well and, barring complications, should be home soon.

Dorothy Ashby Weds John Cromeck

Mr. and Mrs. Joseph E. Ashby, Circle Drive, Mokena, announce the wedding of their daughter, Dorothy Jacqueline Kathika, of Los Angeles, Cal., to John Cromeck of Joliet. She has been visiting her mother here for the past two and a half months.

The young couple were married Thursday, Oct. 30, in the Ashby home by Judge John Balaz. Mr. Ashby gave the bride in marriage. They left Friday, October 31 for a honeymoon in Miami, Fla. Upon their return they will live with the bride's parents.

St. Mary's To Hold Mission Nov. 9-16

Announcement is made by the Rev. Juniper Freitag, O. F. M., pastor, of a mission to be held in Mokena, at St. Mary's Catholic church, starting Sunday November 9, and continuing thru November 16.

The Rev. Wilbert Hegener O. F. M. well known missionary from Chicago will conduct the mission. Mass on Sunday at 8 and 10 a.m., Weekdays 6 and 8:30. Sermon and benediction of the Blessed Sacrament each evening at 8:15 p.m.

The object of the mission is to renew Christian life in the parish and meditate upon the truths of life and eternity, to clarify the understanding of the Church as the bearer of the teachings of Jesus Christ from the time he gave them to the world to our own disturbed world of 1952.

People of all faiths will be interested in the opportunity to renew their knowledge of these foundation facts and all are very welcome. No obligation whatsoever.

800 ATTEND 90TH ANNIV. OF ST. JOHN'S

The 90th anniversary of St. John's Evangelical and Reformed church of Mokena was held last Sunday with more than 800 people present at the two church services and Sunday school.

Three hundred and forty persons remained for the public reception after the evening service, at which Mrs. Edward Dunham and Mrs. Roy Kropp poured, assisted by Mesdames Edward Schmidt, Harold Spiess, Pete Homering, Paul Rauch, Norman Yunker, Clarence Lauffer, Roy Kohl and Wesley Cappel. The Mesdames Adolph Steen, Charles Swanberg, Norman Bormet and William Riemann constituted the committee on arrangements.

Speaker at the morning praise service was Rev. Karl Meyer D. D., of Chicago. He emphasized the church as the body of Christ of which the people are the several members working together in unity. The church choir under the direction of Oliver Kieslar and the junior choir sang inspiring anthems.

Speaker of the evening song service was Rev. Erich G. Bizer, of Frankfort. Speaking on "We Have a Song to Sing" he dwelt on the faith and hope which give Christians the spirit that expresses itself in joyful singing.

The choir of the Frankfort church under the direction of Arthur Lambrecht, the soloist Kathryn Anderson, the guest organist, Theodore Freytag, and the baritone soloist, Arnold Freytag, both of Chicago, made the evening an inspiration, and a memorable one for all people present.

Among those who attended this evening service were friends from Frankfort, Manhattan and Marley.

HALLOWE'EN PARADE MAKES HIT WITH KIDS

The parade and weenie roast in celebration of Halloween on "Witch's Night" in Mokena, last Friday night, was a decided success. Ideal autumn weather contributed to the occasion, with the moon shining down brightly.

This parade for the youngsters was sponsored by the Amvets Auxiliary. The children assembled at the school house, and at 7 o'clock there were about 150 in the parade, which was led by police chief Whitney Carter. To give the marching celebrants the swing and rhythm, Clarence Werner and Elwin Schoeneck played the drum, and Mrs. Jake Barenz the saxophone.

Following immediately behind the parade leaders were Mrs. Gladys Fordonski, of Lincoln Estates, dressed as Miss America, and Mrs. Harry Cooper attired as Uncle Sam. They rode horses donated by Ralph Schoeneck and Charles Rose. The parade proceeded to the VFW hall on Wolf road.

The judges who awarded the prizes in this unique and colorful parade were Mrs. Sam Centers, Earl Wolfgang and Marshall Mueller, of Mokena, assisted by Mrs. Albert Cappel.

In the group of tots to fourth grade, was Allen Hostert, who wore a piggy outfit, and Dean and Dale Rodeghero, Dean was a clown and Dale impersonated Donald Duck. Carol Sherwood was dressed as a society lady. In the 5th and 8th grade groups were Paulette Cooper, a piggy chef, Joe Grobarcik, a lumber man and Penny Spiewak, a gypsy and Jerriann Hull, a raggedy Ann.

Prize for the most original costume went to Claudia Halversen, who represented the Statue of Liberty. Prettiest costume was worn by Sueann Shoop, a bridesmaid. Prize for the funniest costume was awarded to Carol Marti who was attired as a walking beanpole. The best dressed couple was Pat Boleman as a dapper man and Karen Anderson as a flapper lady.

Upon arrival of the colorful cavalcade at the VFW hall the gleeful youngsters were each given a box of crackerjack by members of the Amvet post, which also sponsored the weenie roast.

Soon a huge bonfire was lighting up the sky of October's last beautiful night. Every child present was given a bun and a weenie. There were marshmallows and taffy apples, and the fun was unconfined.

CARD AND BUNCO PARTY

A card party will be given by the PTA of District 207 U Friday evening, November 7, at the school. Bunco will be a feature for the children. Free lunch will be served. The public is invited to attend.

PRANKS CAUSE TROUBLE, LOSS HALLOWE'EN

A small amount of damage was done in Mokena on Halloween Eve. The most severe was at the Mokena Coal and Feed company, owned by Andrew Zink, on Front street.

A group of young men who were seen dancing on the roof succeeded in damaging it considerably, knocking many holes in it. The boys then got hold of some two by four's which they used as battering rams against the side of the building, breaking it down in many places. To carry their vandalism still further, they tossed bricks through the sign on top of the building, completely destroying it.

The steps at the rear door are made of cement blocks. The vandals took these cement blocks and hurled them into the scale pit, breaking them. They then took the truck and pushed it up against the building, rammed it, and let the air out of all the tires. All these acts of rowdiness happened in the early morning hours.

The damage was reported by Mr. Zink to the insurance company. He had stayed in his place of business the early part of the evening to keep an eye on things, but nothing happened during his watch. It is thought by some that the mischief-makers were some of the young men who spend a good deal of their leisure time around the place. They were observed dancing on the roof by some of the neighbors.

Various articles were piled in front of Ida's Sweet Shop, but no damage was done.

An old building was carried over and placed on the street in front of the George Wannemacher place, and some of the buildings in town were soaped.

PTA To Discuss Vital Questions at New Lenox School

Tuesday night, November 11 will be an interesting PTA meeting at the New Lenox Haven school. It will be the first time for many of us to see our Toastmasters in action. They will discuss the question "Should We Keep Our Troops in Korea?" For many parents who have older children, this is an anxious question.

Another item to be discussed is the question of accepting Federal Aid for Education. This is a problem that could affect all of us and any ideas you may have should be voiced.

The seventh grade mothers will be hostesses. As a whole the entire evening promises to be educational, unusual and enjoyable for all. Try to attend, we would enjoy visiting with you.—Dorothy Heimerdinger, Pub.

MAUE PTA TO HOLD BOOK FAIR AT MEET

The Maue PTA will hold its regular meeting Wednesday, November 12 at 8 o'clock at the school house. The program will be a book fair in honor of national book week. Refreshments will be served.—Thelma Blank, Pub.

RUMMAGE SALE

The PTA of the Doctor school District 137, located on 159th street, near Wolf road, will sponsor a rummage sale, which will be held from 2 to 5 p.m. at the school. Bring your castoffs and white elephants, and buy what you can use. Leftovers will be auctioned off. Coffee and doughnuts will be served.

Ike, in addition to carrying all the key states with the big electoral votes, including Stevenson's own state of Illinois, carried such traditionally Democratic states as Virginia, Oklahoma, Kentucky, Florida and Texas. At the time of our going to

William J. Stratton

press he had put 39 states in the Republican column.

The American people have now spoken in clear, unmistakable language, repudiating the New Deal and Fair Deal. Ike has repeatedly promised that if elected he would clean up the mess in Washington and give us a better America. It is now up to him to make good on his pledges, and also up to all the other victors at the polls to do their utmost to carry out the wishes of the American people who so emphatically called for a change in the management of our government at the polls last Tuesday.

In the Illinois gubernatorial contest, Stratton won out over Dixon by a substantial margin.

In the local voting for President the picture was as follows: Mokena gave Ike 768 votes and Stevenson 240.

Good Samaritans Pick Farmer's Corn

Neighbors showed what true neighborliness is last Monday evening when they gathered at the home of Herman Bruhn, near Marley, and picked his 20 acres of corn for him. The corn was ready to be picked, but because of the death of Mr. Bruhn's wife at that time he had been unable to go ahead with the work.

Those who engaged themselves in picking the corn were Art, Charles and Russell Lauffer, Fred Helmke, Ray Knieriem and Jim Tilsy. Mr. Bruhn appreciates this aid very much.

For a rummage sale, which will be held from 2 to 5 p.m. at the school. Bring your castoffs and white elephants, and buy what you can use. Leftovers will be auctioned off. Coffee and doughnuts will be served.

Tips on Touring

By Carol Lane
Women's Travel Authority

The moment you get your winter
coat and muffler out of mothballs,
it's time to "winterize" your think-
ing about your car, too.

There are many misconceptions
about the care and feeding of cars
during winter weather.

For instance, according to Shell
Oil's automo-
tive engineers,
snow is even
more destruc-
tive to a car
than rain. It
splatters un-
derneath the
chassis where
rain cannot
reach and
causes rust and
corrosion. It is

more damaging to chrome and paint
than rain. This is also true of the
strong salts used on icy roads by
many highway departments. That's
why your car needs more frequent
greasing and thorough washing in
winter than it does in summer.

Wind is a bigger bugaboo than
temperature drop as far as starting
a car is concerned. A blanket over
the engine hood will protect the ex-
posed car from wind and help avoid
those winter starting problems.

When you purchase motor oil,
check to see that the letter "W"—
for winter-grade—follows the vis-
cosity number on the can. The num-
bers 5W, 10W, 20W or 20-20W are
standard winter oils to be selected
according to the degree of cold in
your area. Your owner's manual
specifies the right type of oil for
your car.

Protect your car in the winter,
and your protect your investment—
and your pleasure!

CARD OF THANKS

We wish to thank all friends and relatives for their kindness and sympathy extended to us during the illness and death of our wife and mother, Mrs. Emma Bruhn; also to Rev. William Riemann for his comforting service and to those who sent flowers and cards.

HERMAN BRUHN,
MARIE BRUHN
MR. and MRS. GEORGE
BRUHN and FAMILY

The Mokena PTA met in the school Oct. 28 with Edward Carroll, vice president, presiding in the absence of the president Den 5 of Cub Scout Pack 40, presented the colors and led in the allegiance to the flag. Following a short business meeting, the group adjourned to the class room where the teachers of the school presented the program. They gave an interesting and informative talk about the new methods of teaching arithmetic. Examples were given how parents could help their children in this line. Since the change in education, this was timely and also enjoyed by the parents. Refreshments were served by the first grade mothers.

The WSCS of the Methodist church will meet in the home of Mrs. Berle Needham next Thursday afternoon, November 13. At that time Group 1 will bring articles for the traveling basket to be sold at the meeting. Members will also bring their red and yellow penny bags. The losing side will entertain the winners. Articles of clothing are to be brought to this meeting to be given to the Lake Bluff orphanage.

Mrs. Ruth Schneider of Chicago spent the weekend with Mr. and Mrs. Hugo Niethammer and daughter Audrey, who was home from college at Madison, Wis. for the weekend also.

Messrs. Dean Rueckert, Berle Needham, Harley Mann, and T. O. Lackey had charge of the services in the Methodist church Sunday morning in observance of Layman's Day.

Mrs. Dorothea Roesner sent in the following verse, which she has asked that we publish in honor of Mrs. Carrie Mattes, her next door neighbor, who is celebrating her 78th birthday. The verse appeared in The Woman's World.

Song About A Neighbor
By Elaine V. Emans
Lord, thank Thee for setting
Her house next to mine,
Who is forever showing
By some word or sign
She is glad to know me.
And now to-day with Spring
Asparagus for dinner
She gave a lovely thing:
She gave me Emerson
Bound in soft leather—
Dear pleasures for the spirit
And body together!
Lord, thank Thee for setting
My neighbor next to me,
And help me to be, always,
As neighborly as she.

Mr. and Mrs. Rudolph Engelhardt of Orland Park have purchased the former home of the late Mr. and Mrs. Adam Barer on Carpenter street, now occupied by the Carl Reihn family. Until the Reihn family is able to move, the Engelhardts are living in the Westman home on Bryant street. The Engelhardts have sold their farm on 135th and Ridgeland before coming to Mokena. They have a daughter,

Miss Gertrude, who was graduated from the Teacher's State Normal this spring and who is now a member of the faculty at the elementary school at Lombard. Their son Richard has entered the 6th grade at Mokena public school.

The infant daughter of Mr. and Mrs. Walter Larson was christened Sunday morning in St. Mary's Catholic church with Rev. Juniper Freitag officiating. The name given was Mary Therese. Sponsors were Mr. and Mrs. Al Quintenz of Chicago. Dinner was served in the Larson home on Hamilton road to the christening party and guests, Mr. and Mrs. Michael Reynolds, grand parents and Mr. and Mrs. John O'Connor and children all of Chicago.

Mr. and Mrs. H. Tollerud have been visiting with their daughter Mrs. Edwin Dunham and family prior to their going to Ft. Lauderdale, Fla., where they will spend the winter.

Mr. and Mrs. Walter Olson and son Norman spent the weekend of Oct. 24 with their son and brother Donald who is stationed at Norfolk, Va. Donald is in the personnel office aboard the USS Sierra, a ship tender.

Lower Rates Now Available For Auto and Truck Insurance

Real Savings Offered by
Farmers Insurance Group

Most people may now obtain full protection at a saving by taking advantage of the lower rates established by the Farmers Insurance Group. If the high cost of insurance commonly quoted has prevented you from having the protection you should have it will pay you to investigate and find out how Farmers can save you money.

Actually there is no mystery to this modern plan. They have reduced costs by use of the "continuous form" policy which eliminates needless re-selling and re-writing of the policy each year. They select from the multitude of car owners those who are careful drivers.

Another important benefit to policyholders is the fact that claims are taken care of by local district agents who are authorized to handle the adjustment of policy holders claims as soon as reported. This assures policy holders of prompt service plus prompt payment.

Poicyholders like the idea of paying premiums on a semi-annual basis. There is no "up-charge" for mileage or business use.

In addition to auto and truck insurance the Farmers Insurance Group also writes workmen's compensation, employers liability, commercial and personal comprehensive liability, and certain preferred fire risks.

NEW LENOX

**From where I sit... by Joe Marsh****Left Ham Sandwich**

—40¢

Ambled over to Bob's Restaurant Tuesday for lunch and noticed a new sign "Left Ham Sandwich, 40¢... Right Ham Sandwich, 30¢."

"Why the sign, Bob?" I asked. "Don't tell me you believe hogs scratch more with their right leg than with their left—so's the left ham is more tender?"

"No," he says. "I don't take any stock in it. But, some people have ordered those 'left' sandwiches. When I explain to them that there's nothing to that fable, that the sign is just a business-getter, and I've only one price, they enjoy

a regular, old fashioned, plain ham sandwich all the more!"

From where I sit, stories like "right" hams being tougher than "left" ones are with us because some people get ideas into their head and hang onto them for dear life. It's like those who think an adult like myself hasn't the right to a glass of beer with my supper. I say let's keep our opinions free from being "sandwiched-in" by misinformation.

of the golden wedding anniver-
sary, it was also the observance
of the birthday of Anton Ben-
son. In recognition of this, there
were two cakes on the table, a
birthday cake and an anniver-
sary cake.

Mrs. Olson was in Mokena two
years ago when the Bensons
celebrated their golden anniver-
sary she expressed herself to the
effect that she wished she could
celebrate her golden wedding
anniversary in Mokena and in
the same hall, having enjoyed
that occasion so greatly.

Mr. Olson, 71, has been in
the employ of the government
in New York, and has just been
retired. He is now located in
Kankakee where he will be in
the employ of his nephew, Ed-
win Benson, a proprietor of the
Security Lumber Co., in Kanka-
kee. Mrs. Olson is 73. Both are
in excellent health and are ac-
tive in civic, social and church
affairs.

Mrs. Olson, a bride of 50
years ago, had a corsage of yel-
low mums and Mr. Olson wore
a yellow mum boutonniere. The
couple have three children, who
they regretted were unable to
be here to attend the celebra-
tion. These children are Mr. and
Mrs. Eugene Olson, of Brooklyn,
N. Y., their daughter Mabel, Col.
and Mrs. Tom Miffing, of Ft.
Benning, Ga., and another daugh-
ter, Ellen, Col. and Mrs. H.
Nelson, of Frankfort, Germany.
The latter has been stationed
there for 3 years. The Olsons
also have six grandchildren.
They are a delightful couple,
and believe they are going to
enjoy their new home immen-
sely, as they make friends readily.

Out of town guests at the
function last Sunday were Mr.
and Mrs. Walter Waring, Mr. and
Mrs. Burt Arbenn, Mr. and Mrs.
Hike Johannsen, all of Chicago.
From Rockford were Mr. and
Mrs. Gordon Swanson and son,
Fred, and from Pecatonica, Ill.,
Mr. and Mrs. Olander Benson
and family and Mr. and Mrs.
Gordon Benson and family. From
Kankakee, Mr. and Mrs. Edwin
Benson and family, Mr. and Mrs.
Edward Stoffenberg, from Man-
hattan Mr. and Mrs. Andrew
Stoffenberg; Mr. and Mrs. Carl
Bostrom from Midlothian, and
from Joliet Mr. and Mrs. Hilmar

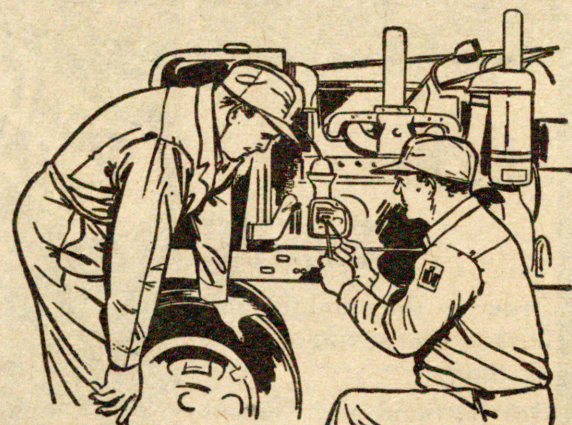

Johnson, Mrs. Lillian Swanson
and the Misses Lillian and Edna
Swanson. Many friends and re-
latives from Mokena were pre-
sent at the function.

During the afternoon a mock
wedding was staged, with Mar-
shall Mueller as minister, Mrs.
Clara Schmidt, as flower girl,
Fred Hentsch, ring bearer, Mrs.
Elwin Schoeneck, best man, El-
win Schoeneck, bridesmaid. The
bride was William Schult and

the groom was Mrs. Fred
Hentsch. Mrs. Grace Kopelman
played the wedding march.
During the afternoon Mr. and
Mrs. Olson and Mrs.
Benson danced with music fur-
nished by recording. In the
early evening a delicious buffet
luncheon was served.
The honored couple received
many beautiful gifts.
